Footwear is limited to regular dress code requirements. No crocs or birkenstock sandals are allowed.

Students are not allowed to dress down on worship days.

Please note that clothing items worn on either uniform or non-uniform days must be in good repair.

All sweatshirts and outerwear should be labeled with the student's first and last name. Students need to wear warm outdoor clothing during the winter months, so they may participate in outdoor recess. Hats/hoods and mittens/gloves need to be worn to school on cold days. The children will go outside for recess whenever possible, so warm clothing is important.

Students who do not follow the dress code will be given a dress code violation slip. All dress code violations will be sent home to parents.

After the third time a student violates the dress code for **non-uniform days**, the student will lose the privilege of dressing down.

***If shorts or skirts are excessively short, the student will be sent to the principal's office to call home for a change of clothes. After the third time a skirt is excessively short, the student will have to wear leggings under their skirts for the rest of the year.**
